SAHAYAK

60-second pitch — Hinglish, word for word

Team Aasra · MNIT Jaipur · SPHINX'26 · Minute To Pitch It

0:00–0:08 HOOK

India me das crore se zyada log saath saal se upar ke hain. Jab wo beemar hote hain, poora bojh ghar ke ek hi insaan pe aata hai — aur wo akeli hai.

0:08–0:20 PROBLEM

Assi-aath lakh log dementia ke saath jeete hain. Das me sirf ek ko care milti hai. Family health system se das guna zyada dekhbhal karti hai.

0:20–0:40 SOLUTION

Toh humne Sahayak banaya — us caregiver ke liye ek app. Roz subah, uski bhasha me, batata hai kya karna hai. Dusre parivaaron ka circle, jisse wo poochh sakti hai. Aur ek verified helper, kuch ghanton ke liye — taaki wo aaram kar sake. Pune me rehne wale bete ko roz note milta hai.

0:40–0:50 BUSINESS

Iska daam ₹199 mahina hai. Urban home care pandrah se pachattar hazaar leta hai. Hospital aur employer tie-ups se hum scale karte hain.

0:50–1:00 THE ASK

Hum aapse mentorship aur ek hospital pilot maang rahe hain — sau families tak pahunchne ke liye. Har caregiver ke paas ek helper ho.

AISE BOLNA HAI

- ‘wo akeli hai’ ke baad ek second ruk jao — wahi pause poora pitch hai.
- Slide mat padho. Slide pe chaar shabd hain; vaakya aap bolo.
- Numbers dheere: das crore · assi-aath lakh · das me ek · ₹199.
- 0:40 pe phone kholo aur bolo ‘ye live hai’. Do tap, phir bolte raho.
- ‘har caregiver’ pe khatam karo. Pehle thank you mat bolo.
